

Nude Co-ed Disciplined

Fifth Estate Collective

1967

University of Florida co-ed Pamme Brewer was found “guilty,” Feb. 11th, of “indiscreet and inappropriate behavior” by a Faculty Discipline Committee after the above photo appeared in an off-campus humor magazine, *The Charlatan*. The Committee’s finding’s triggered student protests with calls for “nude power.” Miss Brewer said she consented to be photographed nude and felt that she had not committed any indiscretion. —photo courtesy *The Charlatan* and Underground Press Service.
