PRISONERS wanting to read anarchist literature: Black Market will send you a general packet of anarchist literature. If you have requests for specific literature, we will try to get it for you (and probably succeed). All free to all persons who can help. Black Market has been sending anarchist literature free to prisoners for over 6 months. The costs are getting too much for us alone. We need help in the form of used books & pamphlets & leaflets having to do with anarchism (ists) or a little cash to buy literature specifically requested. Write or send help to: Black Market, box 306, Cambridge, MA 02139.
