

Help Sustain the Fifth Estate

Fifth Estate Collective

The *Fifth Estate* needs a minimum of forty persons willing to pledge \$5.00 a month to insure this paper's survival and increase our ability to do such things as enlarge page size or do special issue supplements. A long rap probably won't convince you one way or the other about whether or not the paper is worthwhile to maintain—either you like it and that makes it worth five bucks a month or you don't. (By the way, this isn't meant to be a guilt trip—we know some people just cannot afford a monthly sum like that.) *Fifth Estate* sustainers will receive a free publication each month as well as free admission to all FE events such as benefits and film showings. If you can help us, mail this coupon and we'll contact you next month.

Thanks folks!
