

LEMAR Puff-In Soon

Fifth Estate Collective

1967

Detroit LEMAR will organize and sponsor a May Day Smoke-In to take place in Grand Circus Park on May 1 at 12 noon.

The Smoke-In will be held to demonstrate the strength of those who would have the archaic Michigan and Federal marijuana laws changed and have marijuana made legal for all. Free banana joints and other legal herbs will be passed out, along with pro-marijuana literature explaining the LEMAR position to passers-by.

All LEMAR members and those sympathetic to the cause of re-legalization of marijuana are urged to take part in the mass demonstration. There can be no legal recriminations. Detailed information will be distributed at the Love-In April 30th.
