Your picture here! (and everywhere else!)

Great assemblies like this will thrill to your every word!!!

Over the past few years, Party Builders Associates has aided countless individuals and groups to form vanguard parties intelligently tailored to their own needs. These people are now leading creative, happy lives fighting one another. What we’ve done for others, we can do for you.

A few minutes spent in filling out the following questionnaire may be the best investment you will ever make. Your answers will enable Party Builders Associates, preserving strict confidentiality, to work out a party program that is JUST RIGHT for you and your friends. Our fee for this service is so minimal that you would laugh at us if we printed it in this ad. Just send us the most ridiculously small amount that you can think of, and we’ll send your change when we send your new platform.

And now, here’s the questionnaire. We advise using a pencil, since these are by no means easy questions, and your party will not be able to alter the positions taken here without seriously damaging your credibility among the workers.
