Bookstore notes

Well it seems that we ran the address of the ANARCHIST FEMINIST NEWSLETTER, coming out of England, in one of our past issues.

One FE subscriber (who happens to be a male) wrote them, asking for a subscription and this was the reply he received:

Dear M,

We do not take subscriptions to the Anarchist Feminist newsletter from men. Find inclosed your cheque. I hope you will not have lost money on it. Sorry!

in struggle,

S. L.

Whew! In struggle yet! Well we're sorry that we ran the address of these segregationists. We hope that we'll not make a blunder like this again.

We've had a little trouble getting the Cienfuegos Press Anarchist Review No. 3 (our fuck up), but we've been told by the publishers that it will be here shortly. If you've ordered it, please hold on (sorry) and if you would like to order it, we'll be getting a shit load of them when they come.
