Panel 1: Drawing of an angry man.

Angry man: Work stinks!

Response, off: Well, you're not the only one.

Panel 2: Two men in conversation

Man 1: When we fuck up on the job and steal from our boss, we begin to realize our own power.

Man 2 (with fingers clutching his head and throat): Their collective action was the beginning of my end.

Panel 3: Ghost in a coffin

The things we give up in order to work are never returned.

Ghost: Another day of this... and I'll be dead—but I can't crack... yet!

Panel 4: Two men

Man 1: Screw your boss, he's screwing you!!

Man 2 (aiming a pistol): For a world without money or bosses of any kind...
