

# **Mid-West Press Conference Set For Underground Papers**

Fifth Estate Collective

1967

THE FIFTH ESTATE and Translove Energies will sponsor a day-long Mid-West Underground Press Conference in Detroit on Saturday, May 20.

The purpose of the conference is to bring together the already established underground papers and discuss each paper's techniques and experiences. Hopefully the conference will be the impetus for underground papers to begin in other cities, primarily Cleveland, Windsor, Ann Arbor, and Toledo.

High school underground papers will be represented by Cass Tech, Grosse Pointe High, Seaholm in Birmingham and Mumford High school in northwest Detroit.

The day long conference will also include representatives from the PAPER in East Lansing, The WESTERN ACTIVIST in Kalamazoo and Detroit's Underground papers, THE Fifth ESTATE, THE SUN, and GUERILLA.

The exact time and place of the conference will be announced in the next issue of the FIFTH ESTATE and the SUN.
