Attention: artists and craftsmen

The Detroit institute of Arts announces that the 20th Exhibition for Michigan Artist-Craftsmen will be held from November 15 through December 31, 1967.

Deadline for submitting entries will be Saturday, October 14. These must be accompanied by the official entry forms. The exhibition prospectus with forms will be available approximately a month before deadline date.

“We want to announce the show well in advance so artists and craftsmen will have adequate time to prepare their entries,” said curator William Peck. “At this point, awards and purchase prizes total more than \$2,000.”

Michigan artist-craftsmen may submit up to four entries in the decorative arts: ceramics, jewelry, weaving, silver, cabinet making, furniture and other crafts.
