Thanks for your recent order!

Most book and CD purchases come with a surprise sampling of current zines and radical propaganda.

When you order books from the Barn, you support a collective and help keep the Fifth Estate physical space open. With your help, we're trying to sustain an alternative to the commercialism of retail or web-based booksellers.

Looking for an off-the-path place for your band to gig this summer? Are you an English, philosophy, history, or political science major seeking college credit for supporting the revolution?

The Barn produces shows & offers a variety of live-work writing & research internships. Please write or call for more information. 615.536.5999
