On the cover we feature some amazing archival art by Seed, from the Liberation News Service in 1971. On the back cover and throughout the issue, we welcome the new, original illustrations of Ally Greenhead.

The Fifth Estate (FE) is an unincorporated, cooperative magazine published since 1965. As opposed to professionals who publish to secure wages or invest in the media information industry, our collective consists of volunteer writers, artists, and editors—friends who produce the paper as an expression of resistance to an unjust and destructive society.
