AK Press wishes to congratulate *Fifth Estate* on its 40th Anniversary of anarchist publishing. *Fifth Estate* has been there through the thick and thin of the anarchist movement and remained an admired source of news and opinion for anarchists across North America. This year AK Press is celebrating its 15th Anniversary as an international publishing and distribution collective. We look forward to making it to our 40th and celebrating FE's 65th!

-Regards, from the AK Press Collective.
