SEX, *Fifth Estate*, Winter 2012–2013 Theme

Fifth Estate Collective

“Full sexual consciousness and a natural regulation of sexual life mean the end of mystical feelings of any kind. In other words, natural sexuality is the deadly enemy of mystical religion.”

–Wilhelm Reich, *Listen, Little Man*

Deadline: November 1, 2012 Publication date: December, 2012

Sex. It is perhaps the most loaded word in the English language, with numerous connotations and denotations. In this issue of *Fifth Estate*, we want to explore sex and sexuality in all its forms, exposing the naked truths, and teasing out the possibilities. No topic is too risqué.
