

# Montreal Anarchist Theatre Festival Seeks Plays

Fifth Estate Collective

2018

The 14<sup>th</sup> annual Montreal International Anarchist Theatre Festival, the world's only event dedicated to anarchist theatre, seeks plays, monologues, dance-theatre, puppet shows, mime, in English and French, on the theme of anarchism or related themes such as opposition to all forms of oppression including the State, capitalism, war, and patriarchy. Also, pieces exploring ecological, social and economic justice, racism, feminism, poverty, class and gender oppression from an anarchist perspective. We welcome work from anarchist and non-anarchist writers.
