

Black & Red book offer

Fifth Estate Collective

2025

Does your book club or reading group need challenging titles?

Books with big ideas at 50% off when ordered in bulk.

Black and Red — Detroit has published books and pamphlets with an anti-authoritarian perspective since 1968. Through the Fifth Estate, they are offering discounts on their titles to reduce their stock and get books into the hands of readers.

The discount applies on orders of five or more of the same title.

See complete list of available books at blackandred.org.
