

Slingshot Organizer

Fifth Estate Collective

2025

The Berkeley, Calif. Slingshot collective has published its 31st annual Organizer, a radical day planner that comes in three formats. The press run has been increased to 24,000 copies and the all-volunteer staff expects it to run out as it did last year. The proceeds go to publish Slingshot newspaper, the following year's Organizer, and grant generous mutual aid to anarchist projects around the world, including the Fifth Estate.

The 2026 Organizer comes in three formats. Pocket size either with a lay-flat perfect binding or with a spiral binding, both of which include radical dates for every day of the year, a contact list of radical groups around the globe, a menstrual calendar, info on police repression, extra note pages, plus much more. There's a choice of 18 color covers.

There's also a large-size spiral bound version with all the same features, entirely distinct artwork, and twice as much space.

It's available at indy bookstores, at slingshotcollective.org/bookstores and via mail order from AK Press, Microcosm, Buy Olympia, Vision Works, Left Wing Books (Canada) and Active Distro (UK).

And directly from P.O. Box 3051, Berkeley, CA 94703; or email slingshotcollective@protonmail.com
