THE HARBOR LIGHTS is kind of far out, being in Ecorse, at W. Jefferson & Outer Drive, but a lot of Detroit people would really dig it as you can sit in cushioned seats & groove to the music without hassle or dance with total freedom. It can be got to by taking Southfield south to the end, at Jefferson & going left one mile. People coming in from Ann Arbor would find it right on the way home. Dig it.

It is a necessity to dig BARRY KRAMER'S Show from 8 to 9, JOHN KERNEY'S Show, STUMBLE, from 10 to 11. And MIKE KERMEN with HOUND DOG, from 11 to midnight. It's better than listening to your record player cause you needn't turn them over.
