Changes, changes!

This issue of the Fifth Estate is not late in appearing, but on time for our new printing schedule. We will now come out on the first and third Tuesday of each month. We added four more pages this issue because of the difference in publication dates.

The other change is our beautiful new type. For all you technology freaks it is done on an IBM MT/SC computer composer and is 10 pt. press Roman.

Note

We forgot to give proper credit to two of our photographers in recent issues.

The photo of the New York anti-war parade on page 13 of the May 16th issue was taken by Tom Parteka. The photo of Jim and Jean that appeared on page 17 of our May 1st issue was done by Evan Soldinger.

Thanks, fellas and sorry for the slip.
