

House Hits SDS

Fifth Estate Collective

WASHINGTON, D.C. (LNS)—Hearings on SDS will be held this month by the House Internal Securities Committee, the College Press Service reported.

Committee Chairman Richard Ichord said that the investigation has been going on for nearly three months. The Committee is looking over its large library of SDS literature and other leftist material.

It is expected that the Committee, formerly known as the House Un-American Activities Committee (HUAC), will subpoena witnesses.
